## THE FINE PRINT

I understand that registration fees are non-refundable. If you choose to unenroll at any time your registration fee shall be forfeited. Monthly tuition runs August-May. This is a break down of annual tuition in 10 monthly payments. The number of days your child is in school has no bearing on the monthly payment. Tuition is non-refundable once paid. Tuition includes materials, spirit shirts, local field trips, special events, ice cream and other incidentals. All tuition payments are processed through Tuition Express on the 5th of each month. Please see your handbook for processing and late fees. All students enrolled in three year old and VPK classes must be potty trained. The state of Florida Health Physical and Immunization forms must be received within 30 days of the student's start date. Students will be placed in their respective class according to their date of birth prior to September 1.
