

Dear Community Partner,

One year from now, we want to send you a letter celebrating your role in making our Tampa community a better place to live, work and play! Since 2002, Family of Christ Christian School has been preparing children and families to make an impact on the world around us.

Our school is growing quickly! Last year we added a new educational wing, expanded the number of Middle School classes, and added state-of-the-art STEM resources to educate and create. As our waiting list grows, we need your help to grow with it.

Many of you know the importance of a covered play area for Florida weather. We want you to assist us meet that need by partnering this year to build a community space that will serve not only our students, but families in the local community.

We are constructing a 13,000 sq. ft. covered pavilion for PE/athletic classes, recess, and to host home games for our sports programs. This will also serve as a local safe place outside school hours for our youth to spend time growing into future leaders in this community.

On February 4, 2023, Family of Christ will host our 17th Annual Night of Knights live auction, and we need your partnership to succeed. By partnering with us, you invest in the education and development of the future leaders that our community needs.

Please see the attached form in order to take your next step! If you have questions, contact Jayme at (813) 466-8477 or nok@familyofchristtampa.com.

We look forward to partnering with you.
